**Rechler Equity Partners Announces 15,550 SF Lease at
80 Orville Drive in Bohemia, NY for JRM Nutrasciences**

(Plainview, NY – August 4, 2014) – Rechler Equity Partners, the largest owner of commercial real estate on Long Island, announces that JRM Nutrasciences, a manufacturer of dietary and nutritional supplements, has signed a new, 15,550 square-foot lease at Rechler’s office/warehouse property at 80 Orville Drive within the Rechler Equity Park in Bohemia, NY. The announcement was made by company partners Mitchell and Gregg Rechler.

Harry Stavro, director of leasing at Rechler Equity Partners, negotiated the lease on behalf of the building ownership, while Bob Mista of Industry One represented the tenant.

“JRM was looking for a space that was convenient to a number of major roadways, and it found a perfect location at Rechler’s 80 Orville Drive, which is in close proximity to the Long Island Expressway, Veteran’s Highway and Islip Airport. JRM also benefits from the building’s location within the Rechler Equity Park, which provides the opportunity for future expansion within the Rechler portfolio,” said Mr. Stavro.

The 92,742 square-foot property at 80 Orville Drive is located between two of the area’s most populated roadways, Sunrise Highway and Veterans Memorial Highway.
